Class Valentine's Party
Friday, February 14th

Please bring Valentine cards for your class. Only fill in the "From" side of the card, so students can pass out their own Valentines. Please sign up in the office to bring a snack. The party will begin at 9:00 am.

Traditional Tales

Throughout generations, storytelling has been used as a means to pass on traditional stories and folktales. As children are exposed to traditional tales, they begin to think about themes common to humans throughout the ages. Discussing and sharing traditional tales also helps children begin to understand the power of the spoken word. They will have to opportunity to strengthen their comprehension and listening skills. They will also have the experience of dramatizing famous Traditional Tales.

Wear Western Attire Wednesday, Feb. 19th For Our Rodeo!

Kindergarten Round-Up is February 19th at 6:15 pm

Cowboys & Cowgirls

Most children have been exposed to some American western heritage through television, movies, newspapers, and magazines. The lessons this week cover topics that include practical reasons for western attire, the weather "out on the range," trail rides, and rodeos. Also this week, children have the opportunity to practice using complete sentences and speaking in small groups.

Transportation

Although children may not have experienced many modes of travel firsthand, most of them have seen airplanes or helicopters in the air, boats on the water, trains on tracks, or cars and buses on roads. It is important for children to recognize a number of modes of transportation and to begin to consider how transportation helps our society function.
