

# Preschool 2 Home Connection November 2021

## Way out West

Cowpokes, horses, cows, cattle drives and ranch fun make this unit appealing to all children. We discuss everything from cowboy stew to rodeos!

## Funny Farm

Many children have never seen a farm, yet they are fascinated by farm animals and activities. This unit develops children's concepts of the family farm and farm life. We will be looking at everything from the farmer and tractor to the horses and chickens.

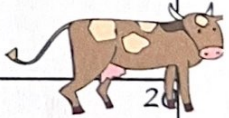

Galaxy Ranch School will be closed Thursday and Friday, November 26th and 27th in Observance of Thanksgiving.

## A Pot, A Pan and A Wooden Spoon

This is a "yummy" unit about food- its source and its preparation. Children learn about textures and colors of foods. Everyone will enjoy the fruits of their labors.

Sign Language Words For The Month:  
Thank You, My/Mine, No/Yes, Mad
