

Kindergarten Home Connection

January 2024

January DLM Theme: Celebrating Little Things

This unit encourages the children to seek out life's small pleasures to celebrate. We will discuss appreciation, anticipation and celebration. We will celebrate...windy days, rainy days, sunshine, books, accomplishments, relatives and more. Preparation will begin for our celebration of the 100th day of school. Our children will be well versed in the habit of finding things to celebrate!

Mathematical Units for January

We will begin our work on the following units, and continue them over the month of February:

- * We will work with exchanging pennies, nickels, and dimes as we play "store!"
- * We will explore more complex patterns.
- * We will introduce ordinal numbers.
- * We will work on telling time to the hour.
